About Kriya Yoga

The goal of life is happiness, peace, love, and enlightenment. The desire for perfection comes from the Self. Kriya Yoga was revived in modern times by a great master of India, Babaji Nagaraj, as a synthesis of the teachings of the 18 siddhas. It includes a series of techniques. In this weekend you will learn 18 postures for greater health, relaxation and energy; the 6 phases of the powerful breathing technique, known as "Kriya Kundalini Pranayama", to awaken and circulate subtle energies; 7 techniques of meditation to cleanse the subconscious, to master the mind and to bring about realization of the Self and Absolute Reality.
